- tramlines
- rats tails
- spikes
- shapes

Christmas Jumper Day

We are fundraising on Friday, 11th December for "Save the Children" by wearing our Christmas jumpers. Children taking part in this event are asked to wear their Christmas jumper on Friday, 11th December and if possible make a cash donation to school of £1. (ParentPay is not to be used for this donation). All funds raised will go to support this charity. We know with some shops being closed it might be quite difficult to buy a jumper so we are encouraging pupils and parents to create their own Christmas jumper/t-shirt etc. using things they have at home.

Parking

Can we remind parents that ALL areas around school are resident permit parking only. The camera car has been patrolling the surrounding area this week and will regularly continue to do so. Hartlepool Borough Council have informed us that there are no parking charges on the sea front or the park during the winter months. We have also received a number of complaints regarding the dangerous speeds of some cars, especially travelling up Crawford Street, so can I please remind you to adhere to the 20mph limit which is in place for the safety of our pupils.

An Important Message from Rotary Hartlepool

Due to Covid restrictions, the Rotary Hartlepool regret that they are not able to offer their usual support to The Royal British Legion Annual Poppy Appeal.

Poppies are not being delivered to all Local Schools, as in previous years, nor will they be available at Asda, where the public of Hartlepool usually have given most generously.

A limited supply of poppies and brooches however will be made available at Regent Travel, [153 York Road, Hartlepool](http://153YorkRoadHartlepool), or alternatively you can visit The Royal British Legion at their website www.rbl.org.uk/poppypappeal to purchase items from their online shop and/or make donations
