Great North Air Ambulance

On Thursday of this week representatives from the Great North Air Ambulance visited school and delivered an assembly on their valuable charity service. We would like, with your help, to support the Great North Air Ambulance and are asking that if possible you fill a donation bag which is being sent home with your child tonight. Please let us have bags which have been filled with the required items as detailed on the bag by Monday, 10th February in order for an early collection on Tuesday, 11th February. Should you require extra bags please contact school or alternatively use swing bin liners. The Great North Air Ambulance will also donate to school 15p for every kilo of items they receive.

Bike and Scooter Contracts

Parents of children wishing to ride and store their scooter or bikes at school must complete the relevant contract which agrees that a helmet will be worn and that a lock will also be provided. Scooter and bike contracts are available from the main reception area. Can we also ask that pupils dismount their scooters and bikes before reaching the school gates and do not ride them into or out of the playground. This is for the safety of all pedestrians.
