

Recommended Reading Lists

The School Reading List is a great website to ignite your child's love for reading. Click on the links below to see a list of books recommended for you and your child- the list is continually reviewed and updated by the librarians and teachers who run the site. We also like how when you click on the front cover of a book on their website, you are taken directly to Amazon to buy the book! Open your reading treehouse and follow the links below.
