

**For parents and carers of children and young people with special educational needs and/or disabilities aged 0-25.**

Gathering information and using unique shared experiences to help shape the development and delivery of services to our children and young people.

### **Influence.**

The forum monitors and helps shape participation and awareness with parents. We have influenced and shaped current and future service provision for families.

### **Voice.**

Provides a central voice for parents and carers of children and young adults with SEN / complex learning / medical needs and disabilities. We have raised awareness about parents' real concerns with a collective voice.

### **Support.**

The forum will signpost parents and carers regarding health, education, social services and other agencies in and around Hartlepool.

### Who Are We?

We are a group of parents and carers of children with Special Educational Needs (SEN) and disabled children aged 0-25.

### Who Do We Work With?

We work alongside our local authority, education, health service and other service providers.

### What Do We Do?

We work with service providers to make sure the services they plan, commission, deliver and monitor meet the needs of children and families.

### How Do We Do It?

We do this through active parent participation and ensuring parents have a voice.
