School Business Manager: Mrs T Clark
Administration: Mrs S Dougherty
Site Manager: Mr R Johnson

EYFS

Our Nursery children spent the week learning about how we are the same and how we are different. They talked about how everyone looks different, likes different things, has different families and has changed since they were babies. The children enjoyed sharing their baby photographs and discussing all the ways they have changed and grown. Reception continued their learning about People Who Help Us, with a particular focus on firefighters. The highlight of the week was a very special visit from firefighters who arrived in their fire engine. The children were fascinated by the equipment and really enjoyed sitting in the fire engine.

KS1

Year 1 have been focused on Black History Month and learning more about the artist Alma Thomas. The children were inspired by her colourful artwork and worked hard to create their own artistic pieces. In Design and Technology, Year 1 have also been busy making moving storybooks using sliders and levers, linked to the story of Humpty Dumpty! Year 2 have enjoyed an exciting educational visit to Shildon Railway Museum, where they developed their learning about George Stephenson. The visit brought their history learning to life and provided a wonderful opportunity to explore the fascinating world of railways.

KS2

A huge well done to our KS2 Tag Rugby team, who represented the school on Tuesday. Mr Murray and Miss Lavelle were incredibly proud of the team, praising their excellent behaviour, determination and sportsmanship throughout the event. This week, Year 3 thoroughly enjoyed working on their Design and Technology unit, using junk modelling materials to create impressive castles. The children showed great creativity and problem-solving skills throughout the project and were delighted to share their finished models with family members at home. Year 4 have enjoyed the start of their new Design and Technology unit, which began with biscuit tasting activities! In Science, they explored the topic of States of Matter, investigating solids, liquids and gases and demonstrating great curiosity through their learning. Year 5 have also worked extremely hard on their Design and Technology project, creating electrical circuits to make moving doodlers. The children showed excellent problem-solving skills and perseverance as they brought their creations to life. Finally, Year 6 have developed their persuasive and descriptive writing skills by creating TripAdvisor-style reviews of Zenna Bay. The children carefully considered how to engage their readers, using detailed descriptions and thoughtful evaluations to bring the setting to life through their writing.

Thank you to all families for their support of Show Racism the Red Card today. A special thank you also goes to our School Council members, who confidently led worship on Thursday and helped teach the school about this important topic.

SHOW RACISM THE RED CARD

Have a great weekend,
Holy Trinity C of E Primary School

For further information about each class and their weekly achievements, including the Celebration Books, parents and carers are encouraged to check Class Dojo.

Polite Reminders:

- If your child wishes to change meal arrangements for Autumn Term 2, please email the admin2@hpoolholytrinity.org.uk before Friday 23rd October 12pm.
- A reminder that school meals are to be paid in advance, at the start of the school week via Arbor app. School meals are currently £3.43 a day, £17.15 per week.
- Year 6 parents: If you have not already submitted your child's secondary school application, please do this by 31st October. Applicants after the closing date will not be considered as part of the initial allocation process and will Instead be processed as late applications.
- Please can we ask that all children come to school with a coat every day. Thank you for your cooperation.
